And pawn your hoe.

naught to do

But you are not—when days are hot  
You have to weed.

## The New Drug Store at Louisa

The Huntington Herald-Dispatch  
says:  
The Lawrence county drug store, in-  
corporated at \$20,000, will be opened  
at Louisa, Ky., October 1, by C. E.  
Skaggs and M. L. McCrea, prominent  
pharmacists of this city, at present as-  
sociated with the Frederick Pharma-  
cy.

The store will be located in the new  
450,000 building now being erected on  
Main street by Dr. C. B. Walters. The  
building is a two-story construction  
and will be occupied by the Lawrence  
county drug store company and a mo-  
tion picture theater on the ground floor  
and offices on the second floor.

The new drug store is 26x100 feet.  
The fountain to be installed will be a  
ten-foot fountain. The entire store will  
be equipped with the most up-to-date  
fixtures. There will be twelve tables  
in the store and the arrangement of  
the store will be patterned after the  
Frederick Pharmacy. Five people will  
be employed in the store by the com-  
pany.

The Lawrence county drug store is  
the only one in Louisa and its opening  
is creating much enthusiasm and in-  
terest. Mr. Skaggs and Mr. McCrea  
are planning to make it one of the  
most attractive places in the vicinity,  
and it is their hope to do the greater  
part of the drug work of the neigh-  
boring towns through their new store.

All prescriptions will be handled by  
registered men who are thoroughly  
competent and possessed of unusual  
ability in their line of work. Mr.  
Skaggs has been in this business the  
past twelve years being a registered  
pharmacist the past six years. He has  
had experience in pharmacy in White  
Sulphur Springs, Charleston and Hunt-  
ington. He is pharmacist at the Fred-  
erick Pharmacy now and will remain  
there until the last of September. He  
was graduated from the Valparaiso  
College of Pharmacy, Valparaiso, Ind.  
Mr. McCrea is a native of Denmark,  
South Carolina. He received his de-  
gree in pharmacy at the Denmark Col-  
lege and later attended Washington  
and Lee University two years. He has  
done research work in vaccine and  
bacteriology for Park-Davis & Com-  
pany, Baltimore, Md. He was form-  
ally with the Frederick Pharmacy al-  
so. He will go to Louisa next week,  
having recently arrived from his vaca-  
tion.

## Notice To Lawrence County School Teachers

The Court of Appeals of Kentucky  
has held that the Compulsory Educa-  
tional Law of 1920 is constitutional  
and the decision sustains this law in  
its entirety. The age limit was in ques-  
tion so the court decided that the ages  
are 7 to 16 inclusive, or in other words  
the pupil must have had its 17 birth-  
day to be exempt.

I have been asked for some excuses  
for not attending school. Here they are:  
Any child who has been pro-  
nounced mentally or physically dis-  
abled by public health officers shall be  
excused by County Board of Educa-  
tion. 2nd excuse: Any child holding  
a county diploma is excused from the  
fact that he has completed the course  
prescribed for the grades.

I have been asked by several teach-  
ers, "Shall I report children who are  
sick?" No do not report children whom  
you know to be sick. The parties who  
should be reported are those who RE-  
FUSE or NEGLECT to send to school.  
Some of the teachers have said, so  
I have been told, that it is not com-  
pulsory to teach Physical Education.  
Read at the bottom of page 31, Acts of  
1920, Sec. 1 and be your own judge. If  
the law means what it says, it is com-  
pulsory.

New houses will start as soon as  
plans can be had.

Teachers who are teaching in the  
following districts will report to T. H.  
Chadwick, Buchanan, Ky., or Cadmus,  
Ky.

Districts—1, 2, 3, 4, 5, 6, 7, 8, 9, 10,

93, 94, 95, 96, 97, 98, 99, 100 Colored.

Those teaching in the following dis-  
tricts will report to T. H. Hackney,  
Blaine, Ky.

Districts—21, 22, 23, 24, 25, 26, 27, 28,  
29, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40,

## Stock Law Election.

Notice is hereby given that a poll  
will be opened in Peach Orchard voting  
precinct, at the regular November  
election 1921, for the purpose of ascer-  
taining the will of the voters of said  
precinct upon the question whether or  
not they wish cattle, horses, mules,  
sheep and hogs to run at large in said  
precinct.

Given under my hand, this August  
15, 1921.

WM. TAYLOR,

Sheriff of Lawrence County.

## Notice to Contractors.

Notice is hereby given that the Fis-  
cal court of Lawrence county, Ky., will  
on August 27, 1921, at one o'clock p.  
m., receive bids for two steel bridges  
in said county: one over East fork and  
one over Dry Fork at Webbville. Right  
is reserved to reject any and all bids.  
A certified check for \$1000.00 shall ac-  
company each bid which shall be held  
as security for the faithful performance  
of said work.

BILLIE RIFFE, County Judge.

## Ford Cars and Tractors.

Have just received a few Ford cars.  
Those wanting cars should call at  
once.

Attention is called to the Ford Se-  
dan, the easiest riding car on the mar-  
ket. Can be used as comfortably in  
winter as in summer. Also, the coup-  
let is the most practical car for cer-  
tain purposes that is made by any  
manufacturer.

Every farmer with a fair amount of  
level land can afford to buy a Ford  
tractor. Not only is this the cheapest  
tractor, but it is the best for general  
purposes. It can be used for all kinds  
of work requiring power. AUGUS-  
TUS SNYDER, Agent, Louisa, Ky. 21
